SOURCE

Between 26 April and 1 May 1951, no major troop contingents arrived in the Templin (N 54°U 31) training area nor were any military shipments unloaded at the railroad stations at the training area. Vehicles entering Camp Vogelsang from the direction of Liebenwalde on 29 April included 4 trucks, 1 of which was [redacted] each towing a 37-mm AA gun; and 6 trucks, including [redacted] loaded with billeting equipment. *

25X1A [redacted] Comment. Except for small units, which arrived behind schedule, the movement of the 25th Tank Div and the 6th Gds Mechs Div to the Templin troop training grounds seems to have been completed by the end of April 1951. This conclusion is confirmed by reports from the permanent posts of the two divisions. [redacted] According to the

25X1A [redacted] the AAA column mentioned in the present report belonged to the 25th Tank Div.
